ADMINISTRATION

Thank you to all who have welcomed our new Assistant Administrator: Kelly Deutscher! We have been very pleased with her knowledge, experience, and especially her dedication. After much discussion, Kelly has now graciously accepted the Administrator position at one of our sister facilities, Amery Memory Care located in Amery, WI. Kelly will be transitioning full time to Amery Memory Care on Monday, April 15th. In the meantime, we will be focusing on her training and preparing her to run AMC independently. With that being said, we are actively pursuing qualified candidates for the Assistant Administrator position. Once a decision has been made, families will be updated.

In the meantime, if you see Kelly, please do not hesitate to wish her a congratulations on her growth within our organization! We are very proud of her and look forward to seeing all that she is able to provide to Amery Memory Care.

Also, Winter appears to have finally left us and hopefully won't return, however please be careful when taking residents out of the facility as some days are still a little chilly. Thank you.
